

Instructions: Opening the Store

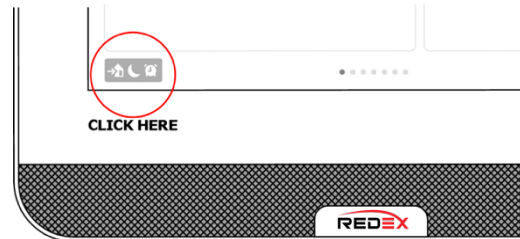

1. Locate the keypad outside the front entrance
2. Enter pin code, followed by “#”

Upon access granted, store will automatically open:

- Alarm system will disarm
- Front door will unlock for the day
- Front lobby and safe room lights will turn on for the day
- A/C will lower down to operating temperature for store hours
- Store is marked *Open for Management*

Instructions: To Close the Store

1. Press the bottom left corner

2. Then, press “CLOSE”

3. Leave the store within 40 seconds of pressing “CLOSE”. All employees must leave.

After 40 seconds, store will automatically close:

- Alarm system will arm
- Front door will lock
- All lights turn off
- A/C will raise to closing temperature
- Store is Marked *Closed for Management*
